**AFFIDAVIT:** I agree the statements made above are true, and if found not to be true, any zoning permit that may be issued may be void. Further, I agree to comply with the conditions and regulations provided with any permit that may be issued. Further, I agree the permit that may be issued is with the understanding all applicable sections of the Platte Township Zoning Ordinance\* will be complied with. Further, I agree to notify the zoning administrator of Platte Township for an inspection before the start of construction and when locations of proposed uses are marked on the ground. Further, I agree to give permission for officials of Platte Township, the County, and the State of Michigan to enter the property subject to this permit application for purposes of inspection. Finally, I understand this is a zoning permit application (not a permit) and that a land use permit, if issued, conveys only land use rights, and does not include any representation or conveyance of rights in any other statute (County, State, Federal, or any administrative agency) such as but not limited to environmental (State/Federal water or wetland) permits, Health Code, building code, deed restriction or other property rights. \* **The Platte Township Zoning Ordinance is related to and referenced from the Zoning Ordinance of the West Benzie Joint Planning Commission. This is a joint Zoning Ordinance with Benzonia Township.**
